## CITY NEWS.

The Daily to the Country.

Under our new system of mailing, patrons receive their papers with more promptness and certainty, and each paper contains, with the direction, a statement of the time to which the subscription is paid. This constant notification will enable all to keep posted as to the condition of their accounts, and they can, by remitting a little in advance, keep their paper going, without missing a single issue.

Thus far the system works admirably—papers go with perfect regularity and patrons (being constantly notified) remit promptly. It is the true system—better for patron and publisher—and we think they will all be glad we have adopted it.

**THE JOURNAL.**—Some two years ago, was fearful that the election of Mr. Kaye Mayor of Louisville would stop supplies to Rosecrans' army. He therefore supported Mr. Crawford and opposed Mr. Kaye. Mr. Kaye was elected Mayor and the supplies to General Rosecrans' army were not stopped. Now, the Journal whines over Mr. Tompsett's election, and says "that notwithstanding the Journal's opposition, and even the Democrat's support," Mr. Tompsett was elected on Saturday. That is just the state of case. If the Journal supports a candidate, he is sure to be defeated. In fact, to insure his election, he should have the Journal abuse him roundly about something or other. In the contest some years ago, when Mr. Daugherty was the candidate of the Workingmen's Association, the Journal was most vehement in its opposition to him, and the Democrat supported him, and "of course" he was elected. In 1860 the Journal bitterly opposed Mr. Kaye's election—and ever dedicated a portion of his newspaper split up in his earnestness to defeat Mr. Kaye, but the Democrat was for him, and "of course" he was elected.

All the candidates for the Mayoralty in the field in the recent election, Mr. Tompsett was our choice, and he was the people's choice, and notwithstanding the Journal's opposition, Don't take on so—in Yankees parlance, "you hadn't ought to do it!"

You admit that you believe Mr. Tompsett "an honest and good man in his intercourse with his fellow-men, but you cannot call a man a good citizen who is not thoroughly loyal."

His record, neighbor, is quite as good as yours in that regard, and a hundred times better politically. All in all, neighbor, don't you think Mr. Tompsett should receive your hearty co-operation in all things pertaining to the city's good? So quit your nonsense about stopping supplies and strengthening the army, &c. Get loose from such demagogery, and let us all give a helping hand to the new administration in city affairs.

**Police PROCEEDINGS.**—Monday, April 3—On motion of the City Attorney, the call of the regular docket was postponed until the third Monday of this month.

Mary Jones, drunk and disorderly; ball in \$100 for months.

Andy Johnson—not the Vice President, but another of the same name—drunk and disorderly discharged.

Mary Buckley and Pat Sheehan, drunk and disorderly conduct; Mary sent to the workhouse for one year and Sheehan fined \$5.

Clas. Carden (l. m. c.), drunk and disorderly; fined \$5.

Pat Quinn, for the same charge, was also fined \$5.

Humphrey Evans and Mary Evans, drunk and disorderly; ball in \$100 for two months.

A peace warrant was disposed of.

James Thompson, assaulting Mr. Smith with intent to rob, discharged.

Lorzen Felton, shooting and wounding James Duncan; ball in \$200 to answer a misdemeanor.

A Grand Jury was ordered to be empannelled on the 11th of the present month.

Edward Mitchell, killing Michael Watson; this case was under trial when we left the court room.

**INQUEST NO. 330.**—Held April 1st, 1865, on Main, between Brook and Floyd streets, on the body of Michael Watson. Verdict—"Came to his death at or about 5 o'clock P.M., April 1st, 1865, from a pistol shot wound through the heart." It was inflicted by Edward Mitchell.

J. C. GILL, Coroner.

In our notice of the fire on Sunday evening, which appeared in yesterday's Democrat, we erred in saying the fire originated in the store of Wm. Nugent. I should have read \$30,000, instead of \$35,000, as we stated. The loss of Mr. Erm in should have been several thousand, instead of several hundred dollars.

**A NEW PRISON.**—Wilson's negro pen on Second street, between Market and Jefferson, has been fitted up by the military authorities, and will be used as a military prison for guerrillas who have been and may be caught. Lieut. Thos. Cullen has been relieved from duty at the Provost Marshal's office, and was ordered to take charge of the new prison.

**RELEASED.**—Richard W. Mason, Hancock County, Kentucky, was released, yesterday, taking the oath of allegiance, and giving \$200 bonds. Wm. B. Brothers, of Calicoes, Georgia, was also released upon taking the oath of amnesty.

**REPORTED.**—There were but three rebel soldiers reported at the Provost Marshal's office yesterday: Nathaniel Eaves, of Marion county, Georgia; Wm. J. Reese, Smith county, Tennessee, and Henry T. Ellis, Lauderdale county, Alabama.

**PINGUIN HOTELS.**—One of the neatest and best drug and prescription stores in the city is that of Messrs. Pingue Brothers, on the corner of Seventh and Broadway streets. They have recently fitted up their store and replenished their stock with new supplies. See their advertisement in another column.

**REGULAR MILITARY news was dull yesterday.** Everybody seemed to be rejoicing over the evacuation of Richmond, which, if it is not true, will, or ought to be. Guerrilla news was in demand. The city was unusually quiet during the day. The weather was rather mixed—sunshine, wind and rain.

**BARRACKS NO. 1.**—Business was rather brisk at the barracks yesterday. Thirty-four convalescents arrived, two hundred and thirty-three men were sent to Camp Chase, Ohio, yesterday, from the military prison in this city.

**RECENTLY.**—Eighty rebel deserters were released from the military prison yesterday and sent north of the Ohio river.

**RECENTLY.**—One hundred and sixty-three rebels were sent to Camp Chase, Ohio, yesterday, from the military prison in this city.

**RECENTLY.**—There were very few arrests made by the patrol guards yesterday. Business at the police station was dull.

**THE COSMOPOLITAN GIFT BOOK CONCERN A PERMANENT INSTITUTION IN LOUISVILLE.**—There are persons, be they few or many, who are under the impression that this establishment is not a permanent institution in our city. It is reported that the concern is about to be removed to some other point. We speak what we know when we say that such removal has, at any time, been contemplated by its managers; on the contrary, it is the design of Mr. Murphy to greatly enlarge the business. The upper rooms are now being fitted up for the wholesale trade, and will be ready in a few days. Additions to the already extensive stock are being received daily. The Cosmopolitan Gift Book concern is very extensive, having branches in many of our large cities.

The Louisville store was established on the 26th day of April, 1864, under the direction of Mr. H. F. Smith, a gentleman of unsurpassed energy, and a thorough business man, who, having determined to build up a successful business, has spared neither printers' ink nor expense in making it known. The result is a large, profitable, and constantly increasing trade. Mr. Murphy, the agent, needs no commendation from us; he is a frank, liberal and polite gentleman, ready at all times to place his assistance, and the same may be placed at Mr. Hutchinson's, his assistant; who consider it no trouble to show goods to you. We speak what we know when we say that such removal has, at any time, been contemplated by its managers; on the contrary, it is the design of Mr. Murphy to greatly enlarge the business.
